

**KESTREL 2000
HAND HELD WEATHER METER**

We're all obsessed by the weather but even more so when we're planning our weekend boating. This weather meter is a must-have gadget to keep on board and impress your crew with up-to-the-minute forecasts. It features an easy-to-read display with backlight, on which it shows wind speed and maximum gusts. It will also tell you the water temperature before your swim – rather more accurately than your big toe.

GILL QUICK DRY TOWEL

Gill's new accessories range is great for those little extras you can pop under the tree with socks, belts and this practical super-absorbent towel all coming in at under £20. The towel (148x88cm) comes in its own compact mesh bag and dries really quickly. Small, packable and perfect for a day out on the water. It has an antibacterial finish and luckily for all the guys out there, it comes in grey too. Website: www.gillmarine.com RRP £20

MES SP2M TORCH

Torches don't come any tougher than this durable, water-resistant, super-bright spotlight. The SP2M has a whopping 2 million-candle power halogen lamp and uses a built-in 4Ah rechargeable battery. Website: www.mesltd.co.uk
Special offer for Christmas orders £19.95

HENRI LLOYD DIABLO JACKET

This latest Henri Lloyd jacket has a super warm fleece lining, adjustable cuffs and a grip tape covered waistband, ensuring as little water ingress as possible. We all know it's not just about keeping you warm though – these jackets have got to be stylish enough to cut it on the quayside. Fortunately, the four colour choices (carbon, light grey, navy and red) mean you can jazz the jacket up to your taste, but avoid light grey as it's prone to showing grubby marks.

CCHEF BBQ

If your craft isn't blessed with a griddle, then a stainless steel boat BBQ will ensure you have sizzling sausages all summer long. The slim unit fixes on to 25mm-32mm guardrails. Just buy a disposable BBQ tray from the supermarket and away you go: it's positioned at a good height for burger flipping and the side panels prevent any bangers rolling overboard.
